WILDERNESS OF THE
HIGH SIERRAS

This Unspoiled Wonderland Makes a Vacation Unforgettable

Nowhere in California will you find a more relaxing and beautiful place to spend a vacation. Rock Creek Lodge is located in the center of a canyon containing more than thirty lakes fed by snow covered summits reaching to 14,000 feet. Clear water streams wind their way through lush meadows carpeted with wildflowers and bordered by a forest of lodge pole pines and aspens. From the lodge, daily hikes may be made to the Hilton Lakes, Tamarack Lakes, Ruby Lake, and Little Lakes Valley. Short trips by car can take you to the Owens River and Gorge, Crowley Lake, McGee Creek, Convict Lake, Mammoth Lakes, Hot Creek, and Whitmore Pool. Longer trips can be made to Devil's Postpile and Rainbow Falls as well as Mono Lake and Bodie.

FISHING AND HUNTING

Fishing in the region around Rock Creek is unexcelled. More than 60 lakes plus streams teem with Rainbow, Eastern Brook, Brown, and Golden Trout. Rock Creek itself is stocked twice weekly with Rainbow Trout and information is furnished on the best fishing grounds. Rental boats are available on Rock Creek Lake. Deer abound in the surrounding area, so make Rock Creek your hunting headquarters. Horses are available at Rock Creek Pack Station on an hourly, half day, daily, or longer basis.

BACK COUNTRY

Moderately strenuous trails lead over Mono Pass to Pioneer Basin, Mono Creek Recesses, Bear Creek, and the South Fork of the San Joaquin River. You need not be an avid hiker to enjoy the many areas within walking distance.
